THIS IS A GENERIC STUDY PLAN AND SHOULD BE USED AS A GUIDE ONLY

For individualised course advice, please contact the Business School Student Advising Office.

Notes

- Students must choose at least one specialisation from either Strategic Management or Management Analytics. **For those wishing to undertake the Management Analytics specialisation, you must first complete MGMT5504 or equivalent.** Please note, if you are unsure, please contact the Business School Advising Office.
- *BUSN5100 is required for students who have not completed ATAR English or equivalent
- Information about unit availability should be checked at the beginning of each semester and can be found in the [Handbook](#).
- Plan ahead! Look at prerequisite requirements in the Handbook. For example: ACCT5633 requires prerequisite unit ACCT5432.

Next Steps...

- Enrol on [Student Connect](#) and plan your timetable on the [Class Allocation System \(CAS\)](#)

This is a generic study plan for this course and does not consider individual circumstances. 2 year study plans include no credit towards the conversion units of the course. 1.5 year study plans include credit towards the conversion units of the course. If you have alternate credit arrangements, this will impact your study plan. Contact your Student Advising Office for assistance with an individualized study plan. Information in this study plan is correct at the time of publication and is subject to change. The University reserves the right to change the unit availability and unit rules, please refer to the Handbook each semester.
