Notes

- Information about unit availability should be checked at the beginning of each semester and can be found in the [Handbook](#)
- Plan ahead! Look at prerequisite requirements in the Handbook. For example: ACCT5633 requires prerequisite unit ACCT5432.

This is a generic study plan for this course and does not consider individual circumstances. 2 year study plans include no credit towards the conversion units of the course. 1.5 year study plans include credit towards the conversion units of the course. If you have alternate credit arrangements, this will impact your study plan. Contact your Student Advising Office for assistance with an individualized study plan. Information in this study plan is correct at the time of publication and is subject to change. The University reserves the right to change the unit availability and unit rules, please refer to the Handbook each semester.
